WHAT DOES THE FUND INVEST IN?

The Fund aims to preserve capital and maintain liquidity. It seeks a similar return to its underlying fund, Spratt Short-Term Bond Fund, by investing substantially all of its assets in securities of that fund. The underlying fund invests primarily in short-term debt securities issued by Canadian federal, provincial and municipal governments as well as corporate issuers.

HOW RISKY IS IT?

When you invest in a Fund, the value of your investment can go down as well as up. The Fund's risk is low.

For a description of the specific risks of the Fund, see the Fund's simplified prospectus.

ARE THERE ANY GUARANTEES?

Like most mutual funds, this Fund does not have any guarantees. You may not get back the money you invest.

HOW HAS THE FUND PERFORMED?

This section tells you how the series has performed since inception. Returns are after fund expenses have been deducted. These expenses reduce the series returns. Returns are before any taxes you may incur. Your actual after-tax return will depend on your personal tax situation.

It's important to note that this doesn't tell you how the Fund will perform in the future.

WHO IS THIS FUND FOR?

The Fund is suitable for those investors who seek exposure to short-term high quality fixed income securities issued primarily by Canadian governments and companies. The Fund is suitable for investors with a low risk tolerance and a short term investment horizon.

! Don't buy this Fund if you need a steady source of income from your investments.

Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk.

A WORD ABOUT TAX

In general, you'll have to pay income tax on any money you make on the Fund. How much you pay depends on the tax laws where you live and whether or not you hold the Fund in a registered plan such as a Registered Retirement Savings Plan, or a Tax-Free Savings Account.

Keep in mind that if you hold your Fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

HOW MUCH DOES IT COST?

The following tables show the fees and expenses you could pay to buy, own and sell Series I shares of the Fund. The Fund has other series. The fees and expenses are different for each series. Ask your Adviser about other series that may be suitable for you.

1. Sales Charges

There are no sales charges in connection of the purchase of these shares.

2. Fund Expenses

The series' expenses are made up of the management fee, operating expenses and trading costs. The series' annual management fee is negotiated by the shareholder and would not exceed 0.75%. Because this mutual fund is new, information on the operating expenses and trading costs for this series is not yet available. You don't pay these expenses directly. They affect you because they reduce the series' returns.

WHAT IF I CHANGE MY MIND?

Securities legislation in some provinces and territories gives you the right to withdraw from an agreement to buy mutual funds within two business days of receiving the simplified prospectus, or to cancel your purchase within 48 hours of receiving confirmation of your order.

Securities legislation in some provinces and territories also gives you the right to cancel an agreement to buy mutual fund shares and receive your money back, or to make a claim for damages, if the simplified prospectus, annual information form or financial statements misrepresent any facts about the Fund. These rights must be exercised within the time limits set by the Securities legislation in your province or territory.

For more information, refer to the securities legislation of your province or territory or consult your lawyer.
